Academic Tutoring is an optional activity that's not included in the camp tuition. The extra program fee is \$35 per 50-minute session. Advance registration is required. Tutoring is provided at camp by certified teachers and/or qualified graduate/college students in various subjects including reading, math, and conversational English (for international campers).

**STUDY MATERIALS:** Parents are required to provide Camp Cayuga with the necessary study materials. We do NOT recommend registering in this program unless it's deemed absolutely necessary. Our camp atmosphere is not conducive to extensive studying!
