Your child must be signed-up for Cayuga's Airport Transportation Service before you provide us with your camper's itinerary below.

Before making your camper's flight arrangements, be sure to read the camp's *Airport Transportation Instructions*. These instructions are located on our website's "Camp Forms" page. After making your child's flight reservations, complete & return this form. If your camper's travel plans change after submitting this form, remember to complete another form with the new updated flight information. This Airport Transportation Itinerary Form is used to coordinate all airport trips and will be given to the Cayuga staff member who is assigned to escort your camper to/from the airport.
