Hey kids, join the *Cayuga Pen Pal Club* and correspond via email with other new and returning Cayuga Campers. As a member of Cayuga's Pen Pal Club, you'll receive a membership list of other kids who plan to attend Cayuga this summer. The purpose of the club is to provide members the opportunity to contact each other via email to discuss their favorite camp topics and personal hobbies. It's also an easy way to make a camp friend before you even get to camp! All you need to do is complete this Membership Form and return it to the Cayuga Business Office. This form can be faxed or mailed to us.

Upon receipt of your completed *Pen Pal Club Membership Form*, we'll include you in the *Pen Pal Email Directory*. We'll email you a copy of the Directory so you can pick & choose the campers you'd like to email. You can email as many campers as you wish! The Directory List will include the following information: the camper's name, camper's email address, camper's grade in September, and camper's session.

Membership in the Camp Cayuga Pen Pal Club is voluntary and reserved for Cayuga Campers only. The Cayuga Pen Pal Club requires 100% cooperation from each and every member. The member agrees to reply to emails received from all Pen Pals.
