NOTES: _____

All campers are eligible to participate in the ATV Riding activity subject to an evaluation of the camper's physical and mental maturity. There are no age restrictions. Cayuga's ATV riding program features child-size Suzuki 4-wheelers. This optional activity is not included in the camp tuition. The extra program fee is \$52 per 50-minute period. Advance registration is required.

SAFETY TEST: Campers are given a safety control test to determine their ability to manage the ATV and understand its operation. If the instructors determine your child can safely operate the ATV, he/she will be scheduled this activity. If your camper is evaluated as being unable to control the ATV, all remaining fees will be refunded. Quad riders must wear long pants and boots. The camp provides the safety equipment including helmet, goggles, and safety pads.

IMPORTANT: This activity takes place during the daily activity program, and is assigned by our program staff. Your child is required to attend when scheduled. If your camper does not attend, the activity will NOT be rescheduled and NO refund will be given. Please emphasize the importance of attendance to your child. Two exceptions: 1) This activity will be rescheduled if the camper is medically excused or the activity is cancelled (inclement weather); 2) A refund will be provided if the camper was never scheduled to attend.

TO REGISTER: Login to your account, go to 'Forms & Documents' on your dashboard, click 'Additional Options', then click 'Optional Programs' and select 'ATV Quad Riding'. This online feature will be turned-off within one week of your camper's arrival. At that time, you will need to complete this paper registration form. To return this form, please upload.
