THE ACTIVITY CONTROL FORM

This *Activity Control Form* relates to the Elective Program on Junior Campus. By completing this form, parents can control their child's activity selections at camp. This form is **OPTIONAL**. If you want your child to select ALL of his/her own activities at camp this summer, do not complete this form. On the other hand, if you want to be assured your child is scheduled a certain activity, please complete this form.

WHO DOES THIS FORM APPLY TO?

This form is for parents who have campers residing on Junior Campus who are participating in the Elective Program. This includes campers who are entering 5th grade and higher in September. This form does NOT apply to campers entering 4th grade or lower. It also does NOT apply to campers residing on Teen Campus.

WHY COMPLETE THIS FORM?

The *Activity Control Form* is for parents who want reassurance that their camper will attend a certain activity. If you anticipate your camper will not select this activity at camp, after being instructed to do so, complete this form.

YOUR SELECTIONS ARE PERMANENT

The activities you select cannot be changed during your camper's stay. Only select an activity you consider mandatory and permanent.

HOW TO COMPLETE THIS FORM?

Select no more than TWO activities and indicate the number of periods for each activity (no more than 2 periods per activity). Your camper can sign-up for more periods at these activities on a daily basis during the elective sign-up period. If you do NOT want your camper to attend the activity, indicate a zero "0" for the number of periods. Your selected activity will be pre-assigned on a random day & period. There is no guarantee your camper will be assigned to the activity with his/her friends. To submit this form, please upload from your dashboard.

SPECIAL CIRCUMSTANCES

While this form guarantees your child will be scheduled the activity, it doesn't guarantee participation. For instance, if your child volunteers to participate in an intercamp tournament that takes place at the same time as your selected activity, the intercamp tournament takes precedence. The 'missed' activity is not rescheduled, but can be selected by your child the following day during elective sign-up period.

DAILY ACTIVITY SIGN-UPS

Campers make their activity selections on a DAILY basis. This is one of the special features of Cayuga's Elective Program. Each morning campers (who are participating in the elective program) attend a sign-up period. This is when your child makes his/her activity selections for the day. Campers sign-up at the same time as their cabin-mates and other campers in their division (same grade). This arrangement provides your child the opportunity to plan his activity schedule with his/her friends.

ACTIVITY CARDS & ROSTERS

During the daily sign-up period, your child will be given an Activity Card to record his/her activity selections and the time-period for each activity selected. Your selected activities will be printed on your camper's activity card before it's given to him/her. Campers keep their activity card with them throughout the day. Campers receive a new activity card each day.

Here are our top 10 most popular activities. They don't include 'optional activities' that require advance registration (such as: paintball, ATVs, private tennis lessons, tutoring).
