CAMP PRODUCTS - RELATED LINKS TO SUPPLIERS

Below is a brief description of camp policies concerning the camp-related items sold by these companies. More details are included in your Parent Handbook, which is located under "Forms & Documents" on your dashboard. If you have any questions, please don't hesitate to contact us. We're here to help!

NAME-TAPES, CLOTHING LABELS: Every item brought to camp must be clearly marked with the camper's name. We recommend name tapes (the sew-on type, rather than the iron-on type). Use indelible ink to mark articles upon which nametapes cannot be sewn (footwear, softball mitt, flashlight, hats). We don't recommend bringing expensive items to camp. However, if you permit your child to do so, be sure to engrave the item with your child's first and last name. RELATED LINKS: www.namedropperstamper.com, www.stuckonyou.com.

LINENS, SLEEPING BAGS, MESH/SOCK BAGS: Campers are required to sleep between 2 sheets. "Cot-size" sheets are ideal for your child's bed. Twin-size sheets are acceptable. The mattress measures 75" long by 30" wide by 5" thick. Campers are not permitted to sleep inside their sleeping bag in the cabin, but can use the sleeping bag as an extra blanket. Sleeping bags are needed for overnights, and all overnights (cabin overnights and horseback overnights) are voluntary. To prevent the loss of socks while being laundered, we recommend 2 mesh/sock bags (for whites & colors). RELATED LINKS: www.everythingSummerCamp.com, www.gilbin.com. Keep in mind that Cayuga offers a linen rental service.

LUGGAGE: Campers are permitted to use any type of luggage to transport their belongings to/from camp, including soft trunks (preferred over hard trunks), hard trunks (15" or less in height), duffel bags, suitcases, and the like. Each luggage item must have a durable ID name-tag labeled with your camper's name and address. Luggage that fits under the camper's bed (15" inches or less in height) is permitted to remain in the cabin. Luggage that does not fit under the bed (and/or unwanted luggage) is removed from the cabin and placed in storage. RELATED LINKS: www.gilbin.com, www.Everythingsummercamp.com.

CARE-PACKAGES: Campers are permitted to receive 1 package about every 2 weeks, regardless of who sends the package. You can send magazines, books & games, as well as: Individual servings of juice drinks; Sealed containers of drink mixes (like iced tea) and soup mixes; Cans of easy cheese; Crackers ("goldfish" crackers and the like), pretzels; and any other <u>non-sugar</u> snack items, <u>but only if</u> they are stored in an air-tight, sealed, rubbermaid-type container. The "no food" policy prohibits meats, fruits, chewing gum, candy, cakes, cookies, and other types of sugar items (junk food). RELATED LINKS: www.eswak.com, www.just4camp.com.
