ENGLAND JOB FAIR

We recently returned from our staff recruitment trip that took place in England in early January. It was a huge success! We interviewed dozens of college students, who travelled from all over the United Kingdom to meet us. The turnout was awesome and the quality of our applicants was great! Each staff member is experienced in child-care; possesses the skills for our wide range of activities; is very enthusiastic & personable; and exhibits the leadership qualities we require. In a nutshell, our 2023 staff are awesome, and they're very excited to meet our campers!

Interested in receiving an extra "Newsletter Contest Submission Point"? Guess what dish is above! Hint: It's very popular in the UK!

2023 CAMPER UPDATE

One of the coolest things about attending camp is meeting kids from all over the world! While most of our campers live in the Tri-Sate area, we have plenty of campers from other states and countries too. Currently, our enrolled campers are from 15 states & 7 countries. We expect those numbers to double by the time camp rolls around in the summer! For now, we have campers travelling from Connecticut, New York, New Jersey, DC, Delaware, Florida, Georgia, Massachusetts, Missouri, New Hampshire, Ohio, Pennsylvania, South Carolina, Texas and Virginia. Our international campers, so far, are travelling from Costa Rica, France, Israel, Spain, Italy, United Kingdom, and Switzerland. It's really so cool to meet kids from all over and make friends across the globe!
