

# ***ATV RIDING ACTIVITY***

All campers are eligible to participate in the ATV Riding Activity subject to an evaluation of the camper's physical and mental maturity. There are no age restrictions. Cayuga's ATV riding program features child-size Suzuki 4-wheelers. This optional activity is not included in the camp tuition and advance registration is required. The fee is \$52 per 50-minute period

To register, log-in to your parent dashboard and select 'Quads/ATV Registration' under 'Forms and Documents'. (There is no paper form to complete). The registration deadline date is your camper's Arrival Day. Thereafter, the online registration feature will be turned-off. Campers will not have the opportunity to sign-up at camp. Parents are required to sign the ATV Waiver and Release Form at the time of registration.

Campers are given a safety control test to determine their ability to manage the ATV and understand its operation. If the instructors determine your child can safely operate the ATV, he/she will be scheduled this activity. If your camper is evaluated as being unable to control the ATV, all remaining fees will be refunded. ATV riders must wear long pants and closed-toe footwear. The camp provides the safety equipment including helmet, goggles, and safety pads.

This activity takes place during the daily activity program and is assigned by our program staff. Your child is required to attend when scheduled. If your camper chooses not to attend, the activity will not be rescheduled and no refund will be given. However, if your camper is medically excused or the activity is cancelled due to weather, a refund will be provided.
